Alternative Break Volunteer Team Projects:

The focus of our trip is on service. During the day, volunteers will teach English in the local schools, and tutor children at the orphanage. There may be physical work projects to be completed at the orphanage. Evenings are spent with the orphanage children, playing board games, volleyball and basketball, doing arts and crafts, watching movies, etc. Your volunteer team will have an opportunity to be immersed in the local culture, and to enjoy some hiking and swimming at a beautiful Dominican National Park/Beach.

Housing/Food/Transportation/Logistics Support:

Full time American and Canadian Orphanage Outreach Team Leaders will be helping your team leader by arranging and managing your living accommodations, facilitating your volunteer efforts, and providing general on-site coordination support. Your own team leader will be able to focus on their team, not where the next meal or shower is coming from. Your team will sleep on the orphanage grounds in "summer camp" style accommodations. Good running water toilets and showers are provided, as are excellent Dominican meals provided by Orphanage Outreach trained cooks. Ground transportation is provided from the airport to and from the orphanage.

Why Orphanage Outreach?

Experienced: Over 5000 volunteers have joined Orphanage Outreach in the Dominican Republic since 1994.

Professional: Full time American and Canadian staff who live at the orphanage will be there to support your own faculty or student team leader.

Safety and Health: Your team's safety and health is our number one priority. The Dominican Republic is very friendly and safe. We have never had an issue of a volunteer's personal safety being threatened. Common sense safety guidelines are in place to keep your volunteer team safe. All bottled water is used in cooking; showers are chlorinated. Top rated travelers medical insurance is included. Good clinics are located nearby.

Results: Your team will have a safe and healthy trip, will receive the satisfaction of knowing they have made a real difference through their service, will develop strong international relationships, will enjoy intercultural experiences, and have an awesome experience.

"The Episcopal High School team experience at Orphanage Outreach in Monte Cristi, Dominican Republic was life-changing. Every little detail, from walking through the village to school to living at the orphanage, gave us a clear understanding of the needs in this part of the Dominican Republic" . . .Maggie Melson, EHS/Virginia
